A Campaign to End Homelessness In Bonner County

Bonner County Homeless Task Force; DBA, Transitions in Progress Services (T.I.P.S.) was founded in 1991. Our first shelter in Sandpoint, Idaho opened in 1994. We provide transitional housing and program management services to homeless families in Bonner County.

Our goal is to help individuals and families who are homeless, in danger of becoming homeless, or who lack adequate housing to reach self-sufficiency and independent living in a safe and supportive environment.

"JUST ONE NIGHT" is a campaign designed to expand our ability to shelter and support those *caught* in homelessness in Bonner County. Homelessness is often hidden *in plain sight* in rural communities like Sandpoint. In our community, the evidence of "child homelessness" is on the rise. This changing *face of homelessness* is a concern we invite you to **share** with us.

Will you help our children and families without a home?
